September 2011 Highlights

Dear Friends and Guests

Warm greetings from all of us at President Park.

In September, many people in Thailand are going to celebrate the Vegetarian Festival, when they refrain from consuming meat. If you are vegetarian, this is a perfect time to enjoy your stay in Thailand, as numerous kinds of vegetarian food are available in various areas.

The festival is observed from the first to the ninth day in the ninth month of the Chinese calendar, or the eleventh Thai lunar month. This year, the celebration takes place from September 27 to October 5. It is the time for purifying one's body and mind.
