## Earth Hour at President Park

President Park participated in a community support for Earth Hour 2011 which took place on April 9, 2011. The Hotel collected newspaper, glass and plastic bottles, aluminum cans, used cooking oil and other materials during the month and sold it accordingly. The money will be donated to the foundation. Furthermore, on the evening of April 9, all lights went out in public areas and we placed candles to help save energy.
